Dear Mr. Jankauskas and Ms. Mollin:

SUBJECT: BROOKHAVEN NATIONAL LABORATORY (BNL) 2016 FIVE YEAR REVIEW  
REPORT ADDENDUM

Attached are two copies of the Brookhaven National Laboratory Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) Five Year Review Report Addendum. This Addendum has been prepared to document Environmental Protection Agency (EPA) concurrence on the Protectiveness Determination and to address comments received on the June 21, 2016 Report. Please place this Addendum in the Report binder you received previously.

A public notice is also being prepared for issuance in Newsday to inform the community that the Five Year Review Report is being made available to the public. At that time, the Report and Addendum will be included in the post-Record of Decision document file at the BNL, EPA, and Stony Brook University information repositories, and they will also be added to the BNL website.

If you have any questions please contact Jerry Granzen, of my staff, at (631) 344-4089.

Sincerely,

Frank J. Crescenzo  
Site Manager
